The theme is **“CHANGES & CHALLENGES”**. The focus of this year’s meeting will be on Indiana’s new **MS4 Stormwater General Permit & Construction Stormwater General Permit**. A draft agenda will be posted on the website by May 15, 2021.

This will be an onsite meeting at the Marriott East Hotel in Indianapolis. If public meeting guidance changes, we will adjust.

If you registered and paid for the 2020 Annual Meeting that registration will be honored.

2021 Early bird registration is \$105 and after October 1, 2021 registration will be \$150. Registration will not be available the day of the event.

CVENT REGISTRATION IS OPEN Please visit our website at www.indianaMS4.org

The goal of the 2021 Indiana MS4 Annual Meeting will be to provide updated tools, insight, and stormwater best management practices (BMPs) for state-wide water quality protection.

IDEM will be on board to help navigate the Indiana stormwater regulatory map.

The meeting agenda will provide continuing education credits (CEUs) that meet new permit requirements.

MORE DETAILS TO COME !

SAVE THE DATE October 26 & BE PART OF THE CHALLENGE !!!
